WELCOME TO THE 11TH ICT4D CONFERENCE

The Global Digital Development Conference

This year we invite you to explore digital development and the evolution from big data to responsible data across agriculture, digital diversity, health and nutrition, digital literacy, digital financial inclusion, humanitarian response and resilience, supply chain management, and water security plus a special focus on Uganda, our host country.

Choose from over 250 sessions in new and familiar formats, with more opportunities for interactive exchange, and dive deeper into new and emerging technologies.

Please download the 'Pathable' agenda app <https://ict4dconference2019.pathable.com/> to your devices and design your own personal agenda aligned to your needs and specific interests. Please visit the website for full session descriptions, speaker biographies, partner profiles and more.

Take full advantage of your time at the 11th ICT4D Conference to learn about the latest applications, insights and partnerships, and don't forget to explore the Exhibition area. At the end of Day 1 and Day 2 join our Conference Track leads as they share an overview of the highlights from their sessions.

We encourage you to make the most of your time to engage in conversation and actively network with participants, speakers, sponsors and partners. Why not join one of our speed networking sessions if you are looking for introductions!

You may also make use of the messaging features on the app, plus join the debate on Twitter using **#ICT4D2019** or by tweeting **@ICT4DCONFERENCE** or by the LinkedIn group **ICT4D EXCHANGE**.

The WiFi Password is ICT4D2019

Please wear your conference pass at all times. In the pouch we have given you, there are tokens for the reception on Tuesday which you may exchange with the caterers for drinks.

For any questions or enquiries, please visit the ICT4D Conference Information Desk located in the main Reception area in the Victoria Building.

We wish you a productive and informative ICT4D Conference experience.

Best wishes,

Sonja Ruetzel

ICT4D Partnerships & Conference Manager, Catholic Relief Services
and The ICT4D Conference Organizing Committee

SESSION DESCRIPTIONS:

Plenary:

Daily from 09:00-11:00. A series of keynote presentations and discussions featuring leaders and experts from the ICT4D community.

Big Discussions:

90-minute main stage panel discussions, one for each ICT4D Conference track. Covering a theme or key questions at a higher level than the conference breakout sessions.

Demonstration Stage:

April 30 and May 1 at 16:00 – 17:00. Live, interactive showcase of cutting-edge applications and innovation in ICT4D in bite-sized 8-10 minute presentations.

Conference Break-out Sessions and Panels:

Every 40 minute periods between 11:30-16:00 each conference day. Formats are either solo presentations, panels or interactive group discussions on a range of topics.

ICT4D Learning Carousel:

April 30 at 16:00 – 17:30. Engage in small group learning exercises in an informal but immersive 'gallery' or 'carousel' format.

Birds of a Feather Round Table Discussions:

Informal small group discussions will run throughout the three conference days in the Exhibition area.

TUESDAY APRIL 30

- 09:00 **Opening Ceremony & Welcome**
Irene Kagga Sewankambo, Director of the Engineering and Communication Infrastructure Department, Uganda Communications Commission (UCC)
- 09:15 **Opening Keynote Address**
Dr. Ruhakana Rugunda, Honorable Prime Minister of The Republic of Uganda (tentatively confirmed)
- 09:45 **Presentation: Tech4Good: In Local Hands for Lasting Results**
Jennifer Poidatz, VP, Humanitarian Response, Catholic Relief Services (CRS)
- 10:10 **Presentation: Exponential Impact: People Process and Technology**
Lauren Woodman, CEO, NetHope
- 10:35 **Lightning Talk: Refugee Response in Uganda**
Peter Batali, Co-Founder & Executive Director, CTEN-Uganda
- 10:45 **Conference Agenda Overview & Logistical info**
- 11:00 **Close of Morning Plenary**

11:00 - 11:30 **Tuesday, April 30**

Coffee Break

11:30 - 13:00 **Tuesday, April 30**

| | |
|---|---|
| <p>Big Discussion: From Data to Information – Challenges, Opportunities and Jobs in Agriculture for ESA in the New Information Economy <i>Shaun Ferris, Anthony Whitbread, Christian Merz, and MaryLucy Oranje</i> Victoria Ballroom</p> | <p>Big Discussion: Moving your Supply Chain Information from Data Collection to Data Smart Decision-making Process - Pathways for Development and Humanitarian Organizations <i>Dah El Hadj Sidi, Hua Ni, Rodolphe Peltier, and Melissa Persaud</i> Speke Hall</p> |
|---|---|

11:30 - 12:10 **Tuesday, April 30**

| | | | |
|---|--|---|--|
| <p>Real Time Analytics <i>Mikko San Diego, Reema Rustagi, and Ralph Myers</i> Regal</p> | <p>Using technology to augment implementer's decision-making in low-data environments <i>Rick Bartoldus</i> Meera</p> | <p>Potential for Transformation at Scale: Use of Android Tablets as a Tool for Strengthening the Social Service Workforce <i>Michelle Ell</i> Royal</p> | <p>Digital Identity in Humanitarian Scenarios: ID2020, Everest, and TNP2K Pilot LPG Energy Subsidies for Indonesia's Most Vulnerable <i>Cornelius Saunders</i> Sapphire</p> |
| <p>Panel: Digital Transformation and Inclusion into Programs <i>Thomas Marentette, Lindsey Kneuvan, Neil Sahota, Fredrik Winsnes, and Mika Väitalo</i> Jacaranda</p> | <p>ICT4D: how technology can be applied to the development world <i>Jean-Michel Molenaar</i> Sheena</p> | <p>Taking a Markets Systems Approach to Women's Financial Inclusion in Fragile Contexts <i>Jesus Melendez Vicente, MA International Relations</i> Fletcher School Ebony</p> | <p>Responsible Data in Action <i>Lea Gimpel</i> Mahogany</p> |
| <p>Enhancing Food Security: From traditional agriculture to a climate resilient landscape <i>Telma Ivette Chávez Parada</i> Majestic</p> | <p>How Digital can be a tool for Inclusion <i>Michael Kwizera</i> Acacia</p> | <p>Improved Health Information Systems for Increased Impact: Illuminating progress, gaps, and a future roadmap for holistic health information system strengthening in Uganda <i>Caroline Kyozira, Apoorv Pal, and Meshack Mbinda</i> Albert Conference Room</p> | <p>Using data to make health programming and policies inclusive for people with intellectual disabilities <i>Kristin Srour</i> Kalangala</p> |
| <p>Airtel Uganda Limited Session Royal Palm</p> | <p>Multi-Stakeholder Engagement Towards Open Health Information Exchange for Uganda <i>Caroline Kyozira</i> Emerald</p> | <p>Private sector solutions for economic development <i>Lyndsay Handler</i> Commonwealth</p> | <p>Reserved 5 Sapphire</p> |

12:10 - 12:20 **Tuesday, April 30**

Transition Time

12:20 - 13:00

Tuesday, April 30

| | | | |
|---|---|--|---|
| <p>Strategies for Managing ICT4D for global NGOs: Four ICT4D leads discuss their approaches <i>John Zoltner, Stephen Hellen, Sherrie Simms, and Alan Donald</i> Albert Conference Room</p> | <p>Using High Frequency Resilience Data to inform Decision-making in Malawi and Madagascar <i>Erwin Knippenberg</i> Kalangala</p> | <p>New Frontiers in Data Use: The Data Revolution and the Development of the Center for Global Data Visualization <i>Reema Rustagi and Rob Segan</i> Royal Palm</p> | <p>The Power of Data – Health Data as a global public good <i>Stefan Germann</i> Meera</p> |
| <p>AI and ML for Global Health <i>Debbie Rogers, Sam Lilienfeld, and Abhijit Mali</i> Royal</p> | <p>Open source remote water monitoring - Building a low cost IOT sensor device <i>Alexander Klein and Håvard Aagesen</i> Majestic</p> | <p>Taking Children, Young people and Communities into the Digital Age <i>Ahmed Mihaimed</i> Jacaranda</p> | <p>Uganda Open Mapping Program <i>Geoffrey Kateregga</i> Amethyst</p> |
| <p>How mobile technology is used as an integrated approach to financial education and SRHR education amongst girls in Uganda. <i>Takunda Taderera, Mr</i> Acacia</p> | <p>Interactive Texting for Post-Surgical Follow-Up: Insights from a Trial in Zimbabwe <i>Michael Korir</i> Regal</p> | <p>OpenCRVS: a case study of using the Principles for Digital Development <i>Edward Duffus and Allana Nelson</i> Sheena</p> | <p>Extending the Boundaries of Access <i>Justin Greenough, PhD</i> Emerald</p> |
| <p>The Realities of Creating a Data Culture <i>Bobby Jefferson, Talia Dweck, Caroline Kyoziira, Ismail Wadembere, and Shachee Doshi, Ph.D.</i> Ebony</p> | <p>Country Case Studies: Cyberbullying in Social Media: Violence against Women Going Digital <i>Shahid Akbar, Denis Gursky, and Galia Nurko</i> Mahogany</p> | <p>Best Practices leveraging Customer Relationship Management (CRM) tools improve humanitarian aid and disaster relief. <i>Timothy Fives and Jaclene Roshan</i> Exhibition Area</p> | |

13:00 - 14:00

Tuesday, April 30

| |
|--|
| <p>The Agricultural Luncheon: The Future of ICT for Global Agriculture <i>Dan Leibfried</i> Victoria Ballroom</p> |
|--|

14:00 - 15:30

Tuesday, April 30

| | |
|---|---|
| <p>Big Discussion: Humanitarian Response - Communicating with Communities in Emergencies: Localizing the narrative <i>Caroline Mbindyo, Gabriel Krieshok, Tine Mejdell Larsen, Rakesh Bharania, Damjan Nikolovski, and Connolly Butterfield</i> Speke Hall</p> | <p>Big Discussion: Gender Based Violence OnLine <i>Gabrielle Bardall, Nora Lindström, Evelyn Wanjiku, and Krista Baptista</i> Commonwealth</p> |
|---|---|

14:00 - 14:40

Tuesday, April 30

| | | | |
|--|--|---|--|
| <p>Data and Smart Systems for Effective Water Management: The Jordan Water Management Initiative <i>Leland Smith and Tamer Al-Assa'd</i> Jacaranda</p> | <p>Mama Goes Digital <i>Cecilia Nanfuka</i> Kalangala</p> | <p>Open Data and Knowledge Sharing in WASH <i>Abdoulaye Kante and Melanie Uhlen</i> Emerald</p> | <p>Youth Panel <i>Dennis Omalla, Jorgs Mbugua, Daniel Bill Opio, and Winnie Akidi Adlie</i> Sheena</p> |
| <p>Financial Literacy Panel: Dooit: Helping deprived urban learn and save, no banking necessary <i>Steve DiPangrazio, Sulakshana Gupta, and Chris Lukolyo</i> Ebony</p> | <p>Health Workforce Systems Improvement: A national health worker registry to support implementation of national health worker accounts <i>Jamiru Mpiima and Ismail Wadembere</i> Royal</p> | <p>Community Health Toolkit: Building Open-Source Digital Health Apps <i>Caroline Mbindyo and Jacqueline Edwards</i> Regal</p> | <p>Engaging effectively with telecom organizations : lessons from in-country engagement in Africa <i>Danielle Dhillon</i> Acacia</p> |
| <p>How Ugandan social enterprises are using SMS to more efficiently and effectively deliver impactful consumer goods to the bottom of the pyramid <i>Boris Maguire</i> Sapphire</p> | <p>Inclusive Digital Transformation - Donor Perspectives, Insights and Strategies <i>Christian Merz, Stefan Germann, and Christopher Burns</i> Royal Palm</p> | <p>Making Data More Responsible with the Digital Principles <i>Nick Martin and Allana Nelson</i> Mahogany</p> | <p>Reinventing advisory services for African smallholder farmers <i>Jens Andersson and Anthony Whitbread</i> Albert Conference Room</p> |
| <p>Transforming the African agribusiness sector: tech, transparency hold key to inclusive growth <i>Frederic Masse, M.</i> Meera</p> | <p>Utilization of IoT, Cloud Platforms, and Drones in Warehousing and Distribution <i>Scott Dubin and Ashley Greve</i> Majestic</p> | <p>How to identify technology solution platforms. <i>Timothy Fives</i> Exhibition Area</p> | <p>Speed Networking Exhibition Area</p> |

PLENARY

- 16:00 **Lightning Talk: Call to Action from 2018 ICT4D Conference: Reducing Barriers to Entry on Technology**
Matthew Pennells, Digital Transformation Lead, Esri
- 16:10 **Panel: Reflection of 2019 ICT4D Conference in Kampala**
Kellie Bentz, Head of Global Disaster Response and Relief, Airbnb
Olive Birungi Lumonya, National Director, SOS Childrens' Villages
Scott Mills, Global Chief Information Officer, World Vision International
Bobby Jefferson, Vice President, Chief Technology Officer, DAI Global Health
- 16:50 **Closing Keynote Address: Government of Uganda**
Frank Tumwebaze, Minister of Information and Communication Technology & National Guidance, The Republic of Uganda (tentatively confirmed)
- 17:00 **Close of Conference**

YOUR FEEDBACK invaluable as it allows us to further improve future conference programs. Please take a moment to complete the online survey we will send during the conference and fill out the session polls on Pathable. Thank you!

FRIDAY MAY 3: TRAINING DAY (SEPARATE EVENT)

For details about the workshops and how to register, visit www.ict4dconference.org

These hands-on and interactive practical sessions offer a better understanding on how to get more out of ICT4D tools and what makes their implementation and application more successful; or improve your innovation and partnership skills for establishing or strengthening Ugandan ICT4D projects or better human-centred design in general.

You will be able to discuss your questions or challenges with expert workshop leaders and your peers. Workshop spaces are capped at max 40 participants.

To register or for more details, please visit the ICT4D Conference Information Desk located in the main reception area in the Victoria Building.

Training sessions run **from 09:00 - 17:00** with refreshments and lunch included.

ADVANCED COMMCARE TRAINING

Course Leaders:
Codou Ndiaye, Siobhan Lazenby, Dimagi

AI FOR GOOD WORKSHOP: TURNING A CONCEPT INTO AN ACTIONABLE PLAN

Course Leaders:
Neil Sahota, Professor, University of California (Irvine)
Leila Toplic, Lead for the Emerging Technologies Working Group, NetHope
Steve Hellen, Director of ICT4D, Catholic Relief Services

DATA PROTECTION AND SECURITY

Course Leaders:
Ali El Benni, Senior Manager, Data Protection and Information Security, Catholic Relief Services
Mac Esmilla, Information Security and Data Protection Services, World Vision International

DHIS2: INTERMEDIATE TO ADVANCED

Course Leader:
Blake Hansen, Projects Implementation Manager, BAO Systems

MAKING THE PRINCIPLES FOR DIGITAL DEVELOPMENT WORK FOR YOU: NEW TOOLS TO IMPROVE YOUR PROGRAMS AND WORK (INVITATION ONLY)

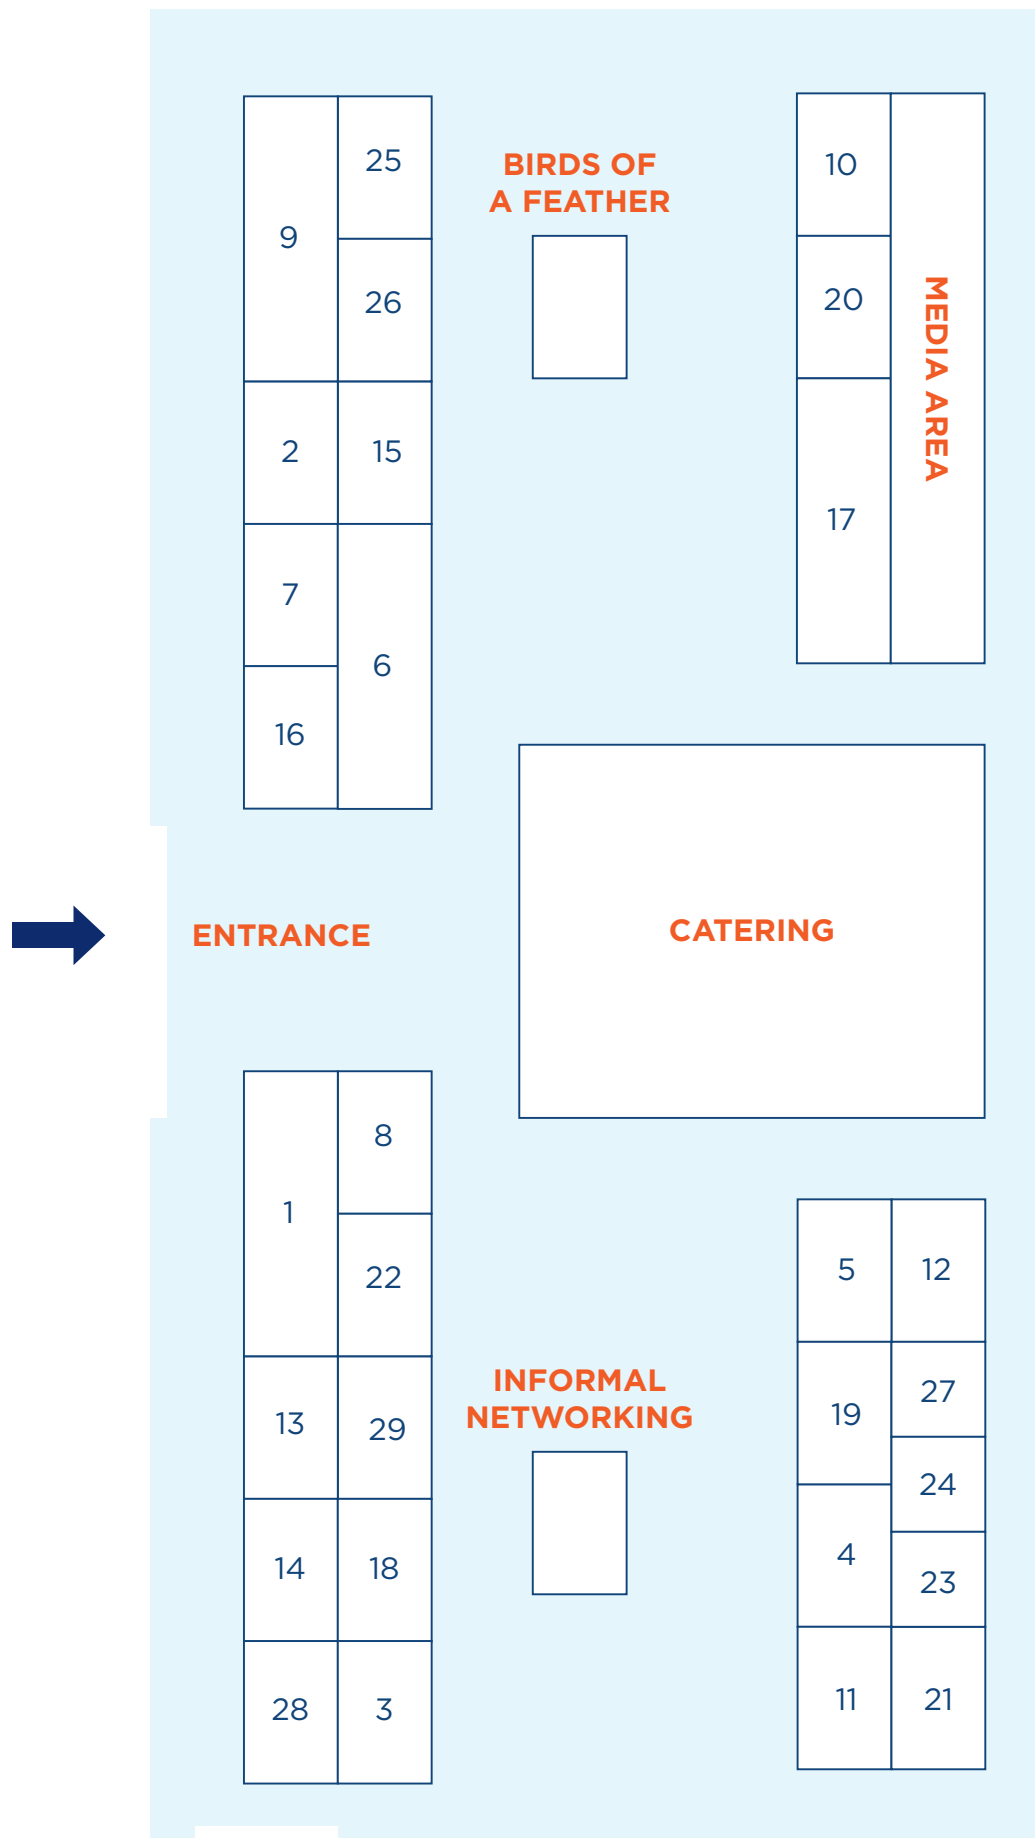

Course Leader:
Allana Nelson, Senior Manager, Principles for Digital Development, Digital Impact Alliance (DIAL)

PUTTING PEOPLE FIRST: PRACTICAL METHODS FOR DESIGNING FOR AND WITH USERS AT EVERY STAGE (SOLD OUT)

Course Leader:
Hillary Eason, Manager, Knowledge, Information, and Technology, Chemonics

ICT4D WEBINAR SERIES

Also join our monthly ICT4D Webinar Series, organized by Catholic Relief Services and NetHope, where speakers and partners from past and future ICT4D Conferences share their practical knowledge, present new and relevant technologies, answer questions, and engage in a learning environment that is both innovative and informative.

This inclusive webinar series is designed to provide cutting edge and practical information that is easily accessible at no cost to representatives of non-governmental organizations (NGOs), civil society and community-based organizations, private sector companies, multilateral and governmental agencies, academic and research institutions, development banks, and aid and development funding organizations.

In particular, the following professionals benefit from attending: program managers, field officers, IT/data managers, and senior technical advisors from disciplines ranging from agriculture, health, education, conservation and disaster management to information and communications technology, data management, GIS/mapping, and financial services.

The ICT4D webinars will feature short case studies and interactive Q&A sessions that will last for one hour.

UPCOMING ICT4D WEBINARS

Tuesdays at 07:00 - 08:00 (PT), 10:00 - 11:00 (ET), 16:00 - 18:00 (CET), 17:00 - 18:00 (EAT)

Lessons Learned from the 11th ICT4D Conference (Part 1), June 18, 2019

Lessons Learned from the 11th ICT4D Conference (Part 2), June 25, 2019
